

7.3 Our college is located on the bank of river Kali and a thick forest is located behind the college. A beautiful nature is situated surrounding the college. This is a natural laboratory for the study of environmental sciences. Founder of this institution was a big social worker late S.K.Gaonkar who established this institution in year 1975 on the basis of principles of Mahatma Gandhi. In the year 1975 Ulga and surrounding villages were totally interior, backward rural areas and had no any basic amenities. Even in this situation establishment of a degree college is an unique. Majority people of this area belong to poor farmers. Establishment of this institution, in this area and surrounding villages made everybody as graduate. Because of this revolution financial status of poor people gradually gets improved. Majority of alumni of this college are now staying at big cities and also abroad. Thus our institution meant for imparting quality education to rural families. Regularly our institution motivates the students to develop competency and confidence. Because of distinctive feature of our institution rural society get change in the field of social, economical and cultural aspects.
